

Importance of Blood Donation

30th October 2017

Best Contact (M) Sdn Bhd has gather their employees to voluntarily participate in a blood donation drive which held at Columbia Asia Hospital Klang in collaboration with National Blood Bank on 30th October 2017.

Blood donation is one of the most significant contribution that a person can make towards the society. It is not harmful for an adult person to donate blood. The body of the donor can regenerate the blood within few days. It poses no threat to the metabolism of the body.
