MAY 2020: Hundreds of thousands of citizens across Malaysia are risking their lives every second on the front lines to help minimize Covid19. The lack of PPE exposes these individuals to the virus and increases the possibility of further spreading the virus to others. Police officers, military, volunteering personnel, doctors, nurses, hospital staff, screening officials, cleaners and many more heroes are playing a part in making sure the country stays safe.

It is our duty to return the favour, therefore BCM Alliance Bhd. donates PPE to military Hospital Angkatan Tentera Kem Terendak Melaka and Hospital Tuanku Mizan, Kuala Lumpur.
